DIO CAPITAL

INVESTMENT CRITERIA

For brokers, advisors & intermediaries

We buy and build founder-owned distribution and niche manufacturing businesses.

DIO Capital Partners is an independent sponsor. We invest patient capital and run the business alongside founders as hands-on operators, preserving what makes it special.

SECTOR	**Distribution & niche manufacturing** Companies with strong market positions who are well positioned for their next stage of growth.
OWNERSHIP	**Founder-owned** Founder-built businesses with deep community roots and a devoted customer base, where partnership matters.
SIZE	**$2M–$12M EBITDA** Consistently profitable companies with healthy margins and disciplined financials, ready to scale from a position of strength.
GEOGRAPHY	**West of the Rockies** Focused on businesses in the western United States. Typically not a fit: turnarounds or distressed situations.
ADD-ONS	**For Prowire USA** Wire and cable, connector, and other passive interconnect businesses in motorsport or adjacent industries.
